1. Subject to applicable transfer fees.

2. For *Way2Save* Savings you need to set up and maintain at least one qualifying [automatic savings](#) transfer option (monthly, daily or *Save As You Go*[®]) from a Wells Fargo checking account. If the automatic transfer does not occur in any monthly service fee statement period, the monthly service fee will apply.

3. Regulation D limits certain types of withdrawal and transfer transactions you can make out of your savings or money market accounts to a maximum combined total of six (6) per month or monthly statement period. An Excess Activity Fee may apply for each transaction that exceeds the limit. Please refer to your Consumer Account Agreement and Consumer Account Fee and Information Schedule for details.

4. Minimum opening deposit for High Yield Savings may vary from \$25 to \$50 based on where the account is opened; in a Wells Fargo store or business banking location, Wells Fargo Online[®] or Wells Fargo Phone BankSM.
